Hot August Night – A Tribute To Neil Diamond

Hot August Night has been cranking out favorite Neil Diamond hits since 1998. Dean Colley, as Neil Diamond, brings the voice, the passion, and a great performance to every stage they grace.

With a look and style that pays tribute to the original, Hot August Night will please even the most dedicated Neil Diamond fan. Living and based in Hollywood this show employs some of the finest musicians around. Tunes like “Song Sung Blue”, “Holly Holly”, “Longfellow Serenade”, and “Forever in Blue Jeans” will come alive and get the audience swaying.

Dean has been singing and playing the guitar professionally for over 25 years in a variety of rock bands. His resemblance to Neil Diamond and his strong baritone voice led to his forming the tribute band. He created a strong playlist of Neil Diamond classics and assembled a band of talented musicians to back him.

Hot August Night has performed a multitude of shows in Las Vegas, Reno, Laughlin, Oregon, and Southern California. This act is a perfect fit for Rock concerts, festivals, fundraising events, casino stages, and night clubs.
