"Kraig is awesome. Everyone at the party told us that it was the best Saturday night party they had ever been to. My wife LOVES him!! When watching Kraig you have to remind yourself that he isn't the real Elvis. Most authentic performance I've ever seen. On top of all of Kraig's talent, he is the nicest, most genuine person that I've had the pleasure of being around in a long time. Everyone loved him. We will absolutely book Kraig again and again and again."

"I have loved Elvis since I was just a little girl, but sadly the King passed several years before I was born. I've always watched his movies and performances, listened to almost every song he made, and just adored him.

I've always wished that I could have seen him in concert. Well on Friday, December 18, 2015 Kraig Parker and the Royal Tribute Band performed at the CAC here in Temple, Texas and I was absolutely blown away by everything! Kraig has the looks as well as the voice and is the closest to Elvis I believe I will ever see. I will definitely be getting tickets to more of his shows. Thank you so much Kraig Parker and The Royal Tribute Band."

"My sister and I went to see your concert in Lake Jackson this past Saturday. Truthfully, I didn't know what to expect. I've seen other Elvis impersonators and wasn't that impressed. But I was finding myself forgetting that you weren't really Elvis. My sister and I thoroughly enjoyed the show so much and if you ever come back, plan on going again and bringing the rest of our family. You are truly awesome and I really love your faith in God and it shows through in your show. I also enjoyed your band and back up singers. God bless you and your family and I wish continued success for you. Thanks for giving us a truly memorable night."
