Randy Linder – A Tribute To Creedence Clearwater Revival

Creedence Clearwater Revival (CCR) remains one of the most played bands on radio around the world. Known for such hits as "Born on the Bayou" and "Proud Mary", the band has touched many over the years with its brand of soulful Swamp and Roots Rock. Randy Linder delivers the finest John Fogerty showcase and loves keeping the music alive for all of the fans.

The presentation by Randy Linder and his band as a tribute to Creedence Clearwater Revival is second to none. They have entertained audiences from California to New York with the beloved hits that came from CCR between the years of 1968 and 1972. Sets also include a few of John Fogerty's solo hits. Randy has been in the music business since 1968 and has attained National and International status. Past performances include several Las Vegas engagements, shows in Guam, and a show in Mexico with an enthusiastic audience of 14,000 CCR fans.

Randy's authenticity shines through with the visual resemblance, the voice, the lead guitar style, and even the rocking blues harp played by John Fogerty in some of those early CCR hits. Audiences will walk away from this show having absorbed the energy of a full blown Rock and Roll concert.

Professional and perfect in every detail, Randy Linder will light up your venue with great rock music. The sound fills the air and gets the audience swaying and dancing. Randy and his band is perfect for casino entertainment, music festivals, special events, and large concert halls. They guarantee an exciting night filled with the CCR music everyone knows and loves.
