Ambrosia, the band known and loved by a multitude of fans since the 1970’s, is now more alive and compelling than ever. This 5-time Grammy Nominated ensemble is exploring new musical territory and bringing an exceptional musical performance to stages everywhere.

Gary Wright was challenging audiences with pioneering instrumentation and cutting-edge keyboard technology as far back as the late 70’s. His ground-breaking 1975 release “The Dream Weaver” stretched the pop music envelope. By 1976 his song “Dream Weaver” hit #1 in the charts. His next hit single “Love is Alive” climbed to #2.
