Strange Days will blow away the audience with amazing musicianship and theatrics. Formed and based in Los Angeles, California, Strange Days is a most realistic and impressive Doors tribute act. Founding members, guitarist Robert Carsten and keyboardist Michael Jacobson, each bring over a decade of professional music experience to the stage. Joined with singer Jason Tosta and drummer Chris Lammers, these seasoned musicians complete their vision of a perfect sounding and looking Doors tribute band that transports audiences back to another time and era.

"See why audiences are saying The Lizard King Lives!"

By combining vintage instruments with the latest technology, Strange Days offers both an authentic on-stage look and an unmistakable studio album sound. The result is truly a one of a kind show.
