## **Walden Dahl**

Walden Dahl is one of the finest Bluegrass and Country Western musicians around today. He recreates all of your favorite Blue Grass and Old Time Western hits that will have you dancing and clapping along.

Walden Dahl has performed all over the world and is one of the best touring today. His band's song selections range from traditional Americana, 50's Oldies, Bluegrass, and Country. He crafts hits into country-spun hay-covered gems. If you are fond of the movie *O' Brother Where Art Thou* and you remember Bill Monroe, *Son's of the Pioneers*, or Gene Autry then you'll love Walden Dahl.

Walden has written songs for such Bluegrass stars as Ralph Stanley and Alison Krauss. The hit song he wrote, "So Long So Wrong" for Alison Krauss & Union Station, hit number one on Billboard's Bluegrass Chart in 1997, and the album under the same name reached number 4 on Billboard's Country Albums chart.

Walden will perform solo or with a 12 piece band for a large event. He and his band are perfect for Western Themed festivals, parties, or concert stages.

## **Testimonials**
